The Community Government has helped in avoiding conflicts, civil war and once group supremacy over the other groups and has the power to take decisions on cultural, educational and language-related issues.

SECTION-B Define Type Questions

7. Majoritarianism

Ans. Majoritarianism is a belief that the majority community is superior and it may rule the country in whichever way it wants and also disregard the needs and wishes of the minorities.

In Sri Lanka when the Sinhala community form the government adopted a series of majoritarian measures to establish Sinhala supremacy and neglected the demands of minorities

SECTION-B Define Type Questions

8. Ethnic

Ans. Ethnicity is a type of social division in which a large group of people share the same culture, language, history etc.

People of the same ethnic group believe in their common descent because of similarities of physical type or of culture or both. They need not always have the same religion or nationality.

SECTION-C Short Type Questions

9. Explain why power sharing is desirable?

Ans. Power sharing is desirable because.

i) Prudential Reason: Power sharing reduces the chances of social conflict and political instability. It prevents the domination of one group over others, thus ensuring long-term unity and peace in the country.

ii) Moral Reason: Power sharing respects the spirit of democracy. It allows people to participate in decision-making and ensures that everyone has a say in how they are governed.

iii) The rule or dominance of the majority can harm both minorities and the majority itself. Power sharing protects all groups and promotes fairness and mutual respect in society.

SECTION-C Short Type Questions

10. Who were the different ethnic groups in Belgium? Give a brief account of them.

Ans. Belgium is a small country in Europe, with a population of about one crore and has communities which speak Dutch, German and French language and live in three major regions Flemish, Wallonia and Brussels.

i) In the Flemish region, 59 percent of the population of the country lives here and speaks Dutch language.

ii) In the Wallonia region another 40 percent people live and speak French and one percent of the population of Belgium speak German and they live in the east of Belgium.

iii) In the capital city of Belgium, Brussels 80 percent people speak French and 20 percent people speak Dutch.

Ans. Sri Lanka has a very diverse composition of population. There were two major social groups in Sri Lanka, the Sinhalas and the Tamils.

i) Sinhala constitute 74 percent of the Sri Lankan population and the Tamil constitute 18 percent of the population.

ii) Tamils were further divided into two subgroups, Tamil natives of Sri Lanka are called 'Sri Lankan Tamils' and they constitute 13 percent of the Tamil population and the Tamils whose forefathers came from India as plantation workers during colonial period, are called 'Indian Tamils' as they constitute remaining tamil population.

iii) Christians constitute about 7 percent of the Sri Lankan population, who speak both Tamil and Sinhala.

SECTION-C Short Type Questions

OR 11. What were the reasons for the civil war in Sri Lanka? Elaborate.

Ans. i) There were two major groups in Sri Lanka, sinhals and tamils. when sinhals leaders came to power and made the government they make their dominance over government by virtue of their majority and adopted a series of majoritarian measures to establish Sinhala supremacy.

ii) They Followed preferential policies that favoured Sinhala applicants for university positions and government jobs, and an Act was passed to recognise Sinhala as the only official language.

iii) All these government policies denied equal political rights, discriminated in getting jobs and other opportunities and ignored the interests of Tamils and minorities. The relations between the Sinhala and Tamil communities strained over time. Tamils launched parties and struggles for their rights and demanding an independent Tamil Eelam(state). Soon the conflict between two groups turned into civil war.

SECTION-D Long Type Questions

12. What are the different forms of power sharing in modern democracies? Give an example of each of these.

Ans. The different forms of power sharing in modern democracies are:

i) Sharing of power among different organs of government- In this form of power sharing power is shared horizontally among different organs of the government. This may insure balance of power, each organ checks the other and none of the organs can exercise unlimited power.

Example; legislature, executive and judiciary are the main organs of the government which share the powers.

ii) Sharing of power among governments at different levels- In this form of power sharing a country was divided into many states and each state assigned some form of power like financial, regional, judicial etc.

Example: India is divided into 28 states and each state has their own legislature. Which exercise financial, judicial and executive power within their territory.

SECTION-D Long Type Questions
